WHAT IS IT?

American Lifestyle, Start Healthy, and Good to Be Home magazines are not just marketing pieces, they are **bimonthly gifts** that clients will actually appreciate.

They will keep you **top of mind** with the people who matter most to your business.

HOW TO CUSTOMIZE YOUR MAGAZINE

Choose your own **Front Cover** and update your head shot and contact info, so everyone knows who sent them this great gift.

Write a letter to your recipients on the **Front Inside Cover** for a personalized touch that is sure to impress.

Reach an even larger audience with two **Tear Out Cards**—when shared by recipients, your contact info is shared too!

Stand out with a featured listing or custom ad on **both sides of the Back Cover!** We have thousands of premade templates available as well.
