Since [Ryan Hanley](#) got this started on the Twittersphere last evening, just a thank you to the [Better Agency](#) team for helping us grow our business in 2020. We are a personal lines heavy agency here in North Carolina since 2018, and have been on board since March. We are just scratching the surface with the capabilities, but I can point to new accounts each month that were booked primarily because of the Better Agency platform. Our ROI over the last few months has been between 600% and 800% and continues to increase. Can't say all of our investments have generated those returns. Thank you Better Agency for the partnership.

Quick BA win that you might want to share as a testimonial.

As I stated in a comment to Nick at one point we closed a 12000 a year life premium using the life cross sell this month and I had a current list of customers that I knew we had their personal lines but not their business so I did the General Liability Cross sell campaign on them which led to us writing a 70k/year non emergency med transport risk today.

If you don't know I am on day like 5 of my FREE trial...I would say its been worth it so far even if I had paid for 2 years of BA by now.

I tried other CRMs like Infusionsoft and AgencyZoom. None of them could really deliver.
