

Build Your Dream Team

WHO WE ARE

Edge was created to help businesses in USA hire talent at not only affordable rates but also talent that can help boost your bottom line.

Build and grow your business with a global workforce network at Edge.

Edge provides qualified and trained remote team members for your most on-demand jobs. We're focused on ensuring high quality talent for insurance agencies of all sizes.

By using Edge, our customers have seen:

- Increase in productivity
- Increase in revenue
- 16.5% increase in outbound calls
- Savings on recruitment costs
- And much more!

"We have zero complaints about our remote employee. Everyone appreciates how inquisitive she is and how she asks so many questions and takes ownership of every problem she comes across. We also love how proactive she is with finding ways to improve our client experience and retention."
